

Transportation Request 2011-2012 School Year

If you wish to register your children for the school bus service, please complete and return this form to the school.

Please note that, while the school endeavours to provide a bus service to all families that request it, we are unable to organise this service in locations where there are not enough students to make it feasible. Furthermore, buses are not always able to pick up students immediately in front of their house or at parents' preferred stops. Thank you for your understanding.
