What is not CAS?

CASとは認識できない活動とは?

Support for students

生徒へのサポートとは？

What can I do as a parent?

保護者ができるサポートとは？

Creativity, activity and service at HIS.

Welcome to the site for Creativity, Activity and Service (CAS) at Hiroshima International School, a location that hopefully will explain the purpose of CAS and how it is being implemented. For students it has guidance on what CAS is and how to record your CAS experiences and projects. For Supervisors it is a location where you can find how to support your CAS students, expectations and documents that you may need. For Parents it has information about the CAS programme and why it is important, along with how you can help support your child.
