

100 Yen shop at Festival

Yasuko Yamashiro (Mum of KG Daiwa)

It's time again to prepare for the festival and start collecting your donations for the 100 Yen Shop. This year we ask for the items below which may be left unused in your households. Every year, with your help the shop is able to make a substantial profit which in turn helps the school, so we ask for your cooperation again. Once the donations start to pile up, we will start the process of sorting everything and we hope you can help during these sessions.

Please join even if you have younger children. That would be helpful even if it's one time. We will be publishing the session dates in the Crane.

Items for Collection:

Children clothes (Clean and unmarked good quality clothes)

Toys (Unbroken toys, Sets with no missing parts, Clean stuffed animals, etc.)

(Free giveaway toys or similar toys will not acceptable)

Miscellaneous items of nominal value

Books

Unopened or unwanted gifts (within Date of Expiry if foodstuffs)

*Any large items to be donated, please contact us prior to discuss.

Start of collecting: Monday 13th February: The boxes for donations will be at the school entrance.

The sorting process always takes time so we ask for your cooperation to deliver the donations as early as possible.

Please mail to PTA if you have any questions. pta@hiroshima-is.ac.jp
